By submitting a User Submission, you grant us an irrevocable, perpetual, transferable, non-exclusive, fully-paid, worldwide, sub-licensable license to: (a) use, distribute, reproduce, modify, adapt, publish, translate, publicly perform and publicly display your User Submissions (or any modification thereto), in whole or in part, in any format or medium now known or later developed, and (b) use (and permit others to use) your User Submission in any manner and for any purpose (including, without limitation, commercial purposes) that reasonably deem appropriate, including, without limitation, to incorporate your User Submission or any modification thereto, in whole or in part, into any technology, product, or service. GreenBox has no obligation of any kind with respect to any User Submissions. You understand and agree that any User Submission will be considered non-confidential and non-proprietary, and that we will be free to disclose it to any third party absent any obligation of confidence on the part of the recipient.

GREENBOX CANNOT ENSURE THAT ANY CONTENT OR DATA YOU DOWNLOAD FROM THIS SITE WILL BE FREE OF VIRUSES, CONTAMINATION, OR OTHER HARMFUL FEATURES.

GREENBOX DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF ACCURACY, NON-INFRINGEMENT, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE (SUBJECT TO APPLICABLE LEGAL RESTRICTIONS IN CERTAIN JURISDICTIONS). WE ALSO DISCLAIM ANY LIABILITY FOR THE ACTS, OMISSIONS, OR CONDUCT OF THIRD PARTIES IN CONNECTION WITH YOUR USE OF THIS SITE OR ANY GREENBOX SERVICES. YOU ASSUME FULL RESPONSIBILITY FOR YOUR USE OF THIS SITE AND ANY LINKED SITES. YOUR SOLE REMEDY FOR DISSATISFACTION WITH THIS SITE OR ITS CONTENT IS TO STOP USING THE SITE OR SUCH CONTENT.

IN NO EVENT WILL GREENBOX, OR ANY OF ITS AFFILIATES, SUBSIDIARIES, DIVISIONS, SHAREHOLDERS, DIRECTORS, OFFICERS, EMPLOYEES, REPRESENTATIVES, CONSULTANTS, AGENTS, SUPPLIERS, LICENSORS, PREDECESSORS, SUCCESSORS, OR ASSIGNS, BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, PUNITIVE, OR EXEMPLARY DAMAGES (INCLUDING, WITHOUT LIMITATION, THOSE ARISING FROM LOSS OF REVENUE, LOST PROFITS, LOSS OF GOODWILL, BUSINESS INTERRUPTION, OR OTHER INTANGIBLE LOSSES) ARISING OUT OF OR IN CONNECTION WITH THIS SITE, INCLUDING, WITHOUT LIMITATION, THE USE, INABILITY TO USE, OR RESULTS OF USE OF THE SITE. Export Controls

We make no representation that this Site is appropriate or available for use outside the United States. Access to this Site from territories where its content is illegal or restricted is prohibited. If you choose to access this Site from outside the United States, you do so at your own risk and are responsible for complying with applicable laws. You agree to comply with all export and re-export restrictions and regulations of the U.S. Department of Commerce and any other U.S. or foreign agencies and authorities in connection with your use of this Site. You also agree not to transfer, or authorize the transfer, of any materials to prohibited countries or otherwise violate any applicable laws.

Entire Agreement

These Terms of Use, together with any additional terms to which you agree when using this Site, constitute the entire and exclusive and final statement of the agreement between you and GreenBox

with respect to the subject matter hereof, superseding any prior agreements or negotiations between you and GreenBox with respect to such subject matter.

Governing Law

These Terms and the relationship between you and GreenBox shall be governed by the laws of the State of California. All lawsuits arising from or relating to these Terms or your use of this Site shall be brought in the Federal or State courts located in San Francisco County, California, and you hereby irrevocably submit to the exclusive personal jurisdiction of such courts for such purpose.

Arbitration

Please carefully read this provision, which applies to any dispute between you and GreenBox or its parents, subsidiaries, shareholders, members, directors, officers, employees, representatives, consultants, agents, suppliers, licensors, predecessors, successors and assigns relating to these Terms or your use of this Site.

If you have a concern or dispute relating to these Terms or your use of this Site, please send a written notice describing it and your desired resolution to legal@greenboxlogistics.com.

If a dispute is not resolved within 60 days, you agree that any dispute arising out of or relating to any aspect of the relationship between you and GreenBox will be resolved through arbitration, rather than by a judge or jury. The arbitration will be conducted by a single arbitrator, administered by the American Arbitration Association (AAA) under its Consumer Arbitration Rules.

GreenBox will cover AAA fees for substantive, legitimate disputes. Arbitration will take place in Northern California and will be governed by the laws of the State of California. To learn more about the AAA rules and how to initiate an arbitration, you may contact any AAA office or visit www.adr.org.

The arbitrator may only resolve disputes between you and GreenBox and may not consolidate claims without the consent of all parties. The arbitrator cannot hear class or representative claims or requests for relief on behalf of others. In other words, you and GreenBox may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as injunctive or declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated.

Non-Waiver of Rights, Severability, Section Titles and Interpretation

The failure of GreenBox to exercise or enforce any right or provision of these Terms of Use shall not constitute a waiver of such right or provision. If any provision of these Terms is found to be invalid by a court of competent jurisdiction, you agree that the court should endeavor to give effect to the intentions of GreenBox and you, as reflected in that provision, and that the remaining provisions of these Terms will continue in full force and effect. The section titles in these Terms are for convenience only and have no legal or contractual effect. These Terms will be interpreted without applying any strict construction in favor of or against either party.

Survival

These Terms of Use will remain in full force and effect notwithstanding any termination of your use of this Site.

Assignment

These Terms of Use, along with any rights and licenses granted hereunder, may not be transferred or assigned by you, but may be assigned by GreenBox without restriction.

Cookie Policy

Effective Date: December 18, 2024

Overview

At GreenBox Systems LLC (“**GreenBox**,” “**we**” or “**us**”), we respect the privacy of visitors using our website.

Individuals have the right to be informed about the collection and use of their personal data (“privacy information”). For privacy information please see our [Privacy Notice](#).

This policy applies to the use of cookies and similar technologies, including beacons and pixels (collectively, “cookies”), that we or authorized third parties may use in connection with your interaction with this website. It explains how we use cookies, when your consent is required, how they are utilized on this site, and provides information on how you can exercise your rights regarding cookies.

What is a Cookie?

Cookies are text files containing small amounts of information that are downloaded to your computer or mobile device when you visit a website. Cookies are then sent back to the originating website on each subsequent visit, or to another website that recognizes that cookie.

Cookies serve various purposes, such as allowing you to navigate between pages efficiently, remembering your preferences, and enhancing the overall user experience. They can also help ensure that the advertisements you see online are more relevant to your interests. Additionally, cookies allow us to analyze the usage of our websites and online content (analytics cookies) and track interactions with social media (e.g., links to social media sites, like buttons, etc.).

What are ‘Session’ and ‘Persistent’ Cookies?

Cookies that expire at the end of a browser session (typically when a user exits their browser) are called “session cookies.” Cookies that can be stored for longer periods are referred to as “persistent cookies.”

- Session cookies enable websites to recognize and link a user's actions during a single browsing session. They are used for various purposes, such as remembering items in a shopping cart as a user navigates the site. Session cookies are also employed for security purposes, such as when logging into internet banking or webmail. These cookies expire once the session ends and are not stored beyond that.
- Persistent cookies are stored on a user's device between sessions. They allow a website to remember the user's preferences or actions across a site or even across different websites. Persistent cookies are often used to retain users' preferences and choices when revisiting a site or to deliver targeted advertising.

What are ‘First-Party’ and ‘Third-Party’ Cookies?

- **First-party cookies** are set directly by us.

- **Third-party cookies** are set by a domain other than the one you are visiting. This typically occurs when a website incorporates elements from other sites, such as images, social media plugins or advertising.

What Types of Cookies are on this Website?

- **Strictly Necessary Cookies** (Essential Cookies): These cookies are essential for the website to function, such as enabling you to navigate the site. Typically, these are first-party session cookies.
- **Preferences Cookies** (Functional Cookies): These cookies allow the website to remember choices you make, such as your username and password.
- **Statistics Cookies** (Analytics and Performance Cookies): These cookies collect information on how visitors use the website, such as which pages are visited and which links are clicked.
- **Marketing Cookies** (Targeting Cookies): These cookies track your online activity to deliver targeted advertisements.

By using cookies, web beacons, pixels and other similar technologies, we can better understand which content interests our website visitors.

Cookies and Personal Data

Cookies use unique codes that act as an identifier and can be treated as “personal data”. This is because they can enable the user of a device to be uniquely recognized as the same user, even if their ‘real world’ identity is unknown. Cookies are also typically used in combination with other identifiers such as the IP address for your device which is automatically assigned to that device by your internet service provider and shared by your device when online content is requested and displayed. IP addresses can be logged automatically in our server log files whenever our website, applications or online content are accessed and can be associated with cookies unless separate IP anonymization features are enabled.

We are the data controllers for the processing of personal data in connection with cookies used on this website.

Communications

If you receive an electronic communication from us, such as a marketing email, event invitation or other direct promotional communication, we may collect information using cookies about you.

Social Plugins

Social plugins allow website users to share items of interest with their connections on social networks. This website contains social plugins for:

- YouTube.com (‘YouTube’)
- Twitter.com (‘Twitter’)
- LinkedIn.com (‘LinkedIn’)

- Vimeo.com (‘Vimeo’)

This means that when you visit this website, your browser may establish a direct connection to the servers of the social networks listed above. As a result, these social network servers may recognize this website and the content you are currently viewing.

If you are a member of any of these social networks and are logged in while visiting this website, the social network may associate this information with your personal user account. By interacting with one of the plugins, such as clicking a 'Like' button, this information is sent directly from your browser to the social network and stored on your personal user account. This means that any information you share from this website will be transmitted to that social network.

We, as the provider of this website, have no control over, nor knowledge about, the data that may be collected by any of these social networks. For details on their data collection practices, please see their privacy notices and related policies.

The information generated by these cookies about your use of this website may be transmitted to and stored by Google on servers in the United States. For more details on how Google Analytics is used, please refer to our Privacy Notice or visit Google's [Analytics Terms of Service and Privacy Policy](#).

How Can You Control Cookies?

You have the right to choose whether to accept or reject non-essential cookies. You can manage your cookie preferences when you first visit this website, where you will see a notice about our use of cookies.

Please note that disabling non-essential cookies may impact the functionality of this website.
